I have only know Fran for about 10 years through darts and Sandra Rizzo. He was very kind with a dry sense of humor and everyone liked him. I had just seen him that Friday night before he passed. Fran and Sandra were a great couple for so many years. He will be missed by so many but will forever live in our ♥. My condolences to his daughter Jacki and her family as well as Sandra Rizzo. Another great person taken before their time.

Jacki Pizano lit a candle in honor of Francis.

My dad is a man like no other. He gave me life, he nurtured me, taught me, dressed me, fought for me, held me, shouted at me, kissed me, but most importantly loved me unconditionally. There are not enough words to describe just how important my father was to me. I love and miss him so very much
