Mel, thank you for what you were and all you did to us especially to our family. Your loving presence, kindness, patience, generous attention and joyful disposition in life were significant. Your love of work especially in creating beautiful and relaxing places outside the house, so with fixing household concerns, nutritious cooking and creative food presentations were memorable. You were never tired of doing something beautiful that surprised Becky and your guests. Together with Becky and Neal, we love you and you will be missed. Rest in peace now with your Creator.
