Carol and I have been best friends since I was ten years old. Memories included going to the beach, raising our kids together, grocery shopping for bargains including going to Webb's City for chickens on sale, boating and going to shell island and many New Years Eves together .Carol and Ron were god parents to our son Johnny Foley . I know Carol is so happy to be with her beloved husband Ron in the presence of Jesus. Til we see each other again, love you Carol . From June and John Foley
