I was with Buddy in a room next to the delivery room when he was born. We heard Betsy yelling for the baby to "get out" among other words and Buddy thought she was in terrible pain when all of a sudden we heard a baby's cry and Betsy laughing. Buddy and I hugged and smiled like crazy. Jason was a beautiful baby who grew into a cute kid and handsome young man. I spent his first 10 years helping to raise him and loved showing him off when I babysat. He was loved by his maternal grandma until she died. He helped anyone who asked him and he will be remembered for that, too. I've loved him since that first cry and will miss him until we meet again. Rest in Peace. Love, Aunt Bonnie Fletcher
