It's so hard to believe this is reality. Mr. Benton, you were more than just a neighbor but really Family. You always dropped anything you were doing to help people out. You were the type when there was commotion outside in the middle of the night to run towards the issue instead of ignoring or hiding. We will never forget you and you'll always be a cherished memory in our hearts. We'll be here to support your Faithful Bride, who was by your side for so many years. WE Love you Mr. Art & Mrs. Cathy. Lovingly, The Gauthier and Murray Families
