Cora Payne posted:

Janice was a life saver when I first started working at PCSO in medical records 18 years ago. She was the go to person for everything medical records. There was no such thing as "It can't be found". She knew where everything was. To this day she has never been far from my thoughts or heart. She is and always will be a wonderful and beautiful person to me. RIP and God bless Janice you will be missed. Cora Payne
