Nam truly lived life to the fullest with talents playing piano, guitar, and drums. His favorite pastimes were cooking, billiards, fishing, and camping. He loved his dogs Cookie and Dexter. He is loved, admired, and respected by all who crossed his path. He was the most kind, giving, and loving person. Life Story of Nam Hoang Nguyen

Nam Hoang Nguyen was born in Vinh Long, Vietnam on July 17, 1978 to parents Viet and Kimcuong Nguyen. At the age of 9 months on a moon lit night, our family left Vietnam due to communist oppression for the land of the free. The journey was harsh with many days and night of hunger and thirst under the sweltering sun and rough seas (8 days and 9 nights). We were robbed by Thai pirates of valuables but fortunate enough for us to have kept our lives. We were unfortunate to land in Malaysia (Dungun). The Malaysian navy took our working boat and put us on a broken boat with many Chinese refugees. They towed us out to sea (one day and one night) to perish. Our father, who is a naval officer of South Vietnam, was able to fix the boat. We landed safely at Air Raya, Indonesia and transferred to refugee camp Galang Island in 1979. We lived at the camp for 11 months. From there, we were aided by the United Nations for emigration to U.S.A.

We landed in St. Petersburg, FL in 1980 with the aid of our great aunt. Nam went to Lynch Elementary School. He loved to play in the back yard with our chickens and pet alligators. Biking

Name and I shared a love for the water and fishing. Won't ever forget when he dropped everything to help me repair my hydraulic steering. Also, when I got him hooked on fishing; he was bringing up a really good sized hogfish and a barracuda bit it in half.
