I worked with Janis and she was always so kind. I retired ten years ago and would still get invitations from Janis to attend our Postal luncheons. If I was unable to attend, she would always send photos of everyone. She was great at bring everyone together and making everyone feel included. She was a beautiful soul and will be missed. There's another angel in Heaven.

I worked with Janis for many years and she was such a kind person. After retirement, she always included me in invitations to postal luncheons. When I wasn't able to make the luncheon, she would send photos. Very thoughtful and considerate. It was wonderful to be remembered after being retired for ten years. She will be missed.....another angel in Heaven.
