Maria Gonzalez posted:

Angelo was definitely the best of us. A true gentleman in every sense of the word. His kind and gentle ways endeared him to children and animals. I can honestly say that I have never met anyone who was so naturally kind considerate gentle and optimistic. He was completely devoted to Josephine, his wife, the great love of his life. To say he will be missed is an understatement. I feel blessed to have known him and have him as part of our wonderful family . The world has lost a great man. As our grandmother would always say in parting "Vaya con Dios ". (Go with God ")

Very sad to hear of Angelo's passing. He was quite an amazing gentleman. I feel very fortunate to have known him for the past 33 years. I will always remember how he treated everyone with kindness and respect. I also loved how he was always working on making something better, engines, brakes, and all sorts of inventions. He was very special and truly one of a kind. Josephine, Gary and Alan; please accept my condolences, thoughts and prayers.SincerelyStewart Macdonald

Angelo was the kindest man I have ever known. I will always remember him smiling and laughing as he played with Ayla when she was little. He will be missed. My thoughts and prayers are with PeeWee and the family.Love from Terri

Our deepest sympathies are with all of Angelo's family, especially his wife of 68 years, Josephine, who is our cousin. He was loved, not only by the Gonzalez family, but by the Ubeda family as well. As Josephine's husband, he was an integral part of all the Ubeda family reunions and get-togethers. Angelo was often referred to as the 'saint' in the family. He was a wonderful, kind, compassionate and loving man who will be sadly missed by many. I'm contributing a photo of Angelo as a young Navy man. Alegria and Mark Katona, Terri deKramer, Ayla Elliott.
