Mrs. Patricia A. Miller

AUG 27, 1941 - OCT 8, 2019

Patricia A. Miller of Brandon, Florida, passed away unexpectedly Tuesday, October 8, 2019 in Brandon. She was 78.

Patricia was born August 27, 1941 in Moultrie, Georgia; the beautiful daughter of the late Pete and Hazle Smith. She was a proud graduate of Georgia Southern University where she earned an associate degree in secretarial studies. In 1979, Patricia, along with other parents of hearing-impaired children, co-founded the Auditory and Verbal Institute in Winter Park, Florida. The institute specialized in teaching young children with hearing problems to communicate orally, without the use of sign language or lip reading. It was the only service in Central Florida that specialized in the "aural-verbal" method of teaching and was one of only a handful in the entire state of Florida.

She is survived by her loving husband of 61+ years, Lee Miller and their two beautiful daughters; Nikole Whitehead and Kim Miller. She is the loving grandmother of four beloved grandchildren; Jeremy Whitehead (Margaret), Andrew Whitehead, Bre Fisher (Ricky) and Abigail Kimber Whitehead. Patricia also leaves behind two cherished great grandchildren; Parker Whitehead and Raleigh Fisher. She was a loving wife, devoted mother, beloved grandmother, great grandmother and dear friend who will be dearly missed.

Visitation will be 9am until 10am with funeral services at 10am Friday, October 11, 2019 in the chapel of Kings Avenue Baptist Church 2602 South Kings Avenue, Brandon, FL 33511. Dear Lee, Kim, Nikole, and Family, We are all just devastated to hear the sad news of the loss of Pat. I cannot even begin to express how very sorry we all are . I just a little while ago saw it on FaceBook and was absolutely shocked. Pat was one of my dearest friends as you know. I loved her so much. She was such an awesome person. Every time we talked on the phone, it was like no time had gone by since we last saw each other. We would pick up right where we had left off the last time. We would talk for literally hours, trying to catch uponeach other’s lives. I often think of all those old “fun” times we had together when you all were in Bossier all those years ago. You are definitely in our prayers. My heart goes out to you. May The Lord bless and comfort each one of you during these sad sad days. Just cherish all the wonderful memories.. ♥♥♥♥♥ Love Love Love you, Maxine Troutman, Sheila and Roland, And Keith and Beth and Families

Dear Miller family, I was surprised to hear of Pat's death, but knew she had been ill for quite some time. I remember the spunky little lady I first met when I was teaching. I had never seen such a strong, caring person. Not only about her hearing impaired child, but all of the children in that class. She adopted my family and we were so much better for having her in our lives. When the family moved, we stayed in touch and at times visited. Our last close one-on-one visit was with Kim when she surprised us with a welcome visit. We had such fun together. I am so proud that God put Pat and her wonderful family in our lives. Sleep in God's peace, Pat. Love to all, Letitia and the Miles family from Shreveport.

Dear Lee, Nicole, and Kim: we just learned of Pat's death and are surprised and saddened. Pat always had such great energy, it seemed she would live forever. I recall first meeting her at the Navy hospital clinic and her instructing me how I was to treat her two precious daughters. Beautiful young ladies they were them, I'm pretty sure they remain so. And what a great favor she did for Donna and me in introducing us to her "can do it all" hubby. Lee, you were, and will always be, the best and most honest worker with whom we've ever been associated. But Pat was the glue that kept your growing family intact, and Pat's death is a great loss for all of us. As we celebrate Christ's birth, we'll recall that He came so that we'll all be privileged to see Pat again and smile once more as we hear that pure Georgia accent. God's blessing on all the Millers and Whiteheads this Christmas season. Love, Dr Joe and Donna Chiaro
