Although I never met Randy Price, I know he was a great father and family oriented man. Sunhe I know losing a father is not easy not to mention everything you have been through this year. You were a great daughter to both of your parents and did anything for them. It's only natural that you are product of the caring parents that you had. Just know that you have friends that care about you like family and they are here whenever you need someone to talk or lean on. Randy is in peace now and looking over you ❤️ Gilbert Lopez

Randy it was an honor to be reunited at our 173rd Army Airborne Reunion in June 2019. It was truly a blast from the past feeling as if it were yesterday instead of 50 years ago. Truly the band of brotherhood united once again for reminiscing and made new memories. Until we meet again. Airborne All The Way. "Uncle Zeke" and Donna Zehner
