My first memory of Beverly was when I met her at her home as a possible Big Sister to Willie in the Big Brother Big Sister program. I remember her smile and Willie sitting almost on top of her as we spoke. She welcomed me into her life along with Willie and I will never forget her acceptance and trust as a mentor for him. She will forever be in my heart and memory. I will miss and cherish you all the day's of my life. Love, Tosha

I worked with Bev for over thirty years. All the times I would talk to her, she was always happy and had a great big smile. I never saw her in a bad mood!!! She will always be in my thoughts and prayers. She will be missed by many, many of her co-workers at West. In our hearts forever, until we meet again Bev. My condolences to the family, Sandi Calkins.

Janet lit a candle in honor of Beverly.

Bev and I worked together in the shipping office for many years at West. I really enjoyed working with Bev we had a lot of laughs there. She was a hard working woman who could out work all the younger ones at work. She will be deeply missed. With sadness in our hearts rest in peace Bev. Janet Shaffer and David Robinson
