Suann Schuster lit a candle in honor of Doris.

Back in 1964 my dad, Harry and mom, Pat drove us five kids from New York To Florida in an old buick, to aunt doris and uncle keith's, we showed up before the sun came up and we slept in the front yard until she woke up. Don't you know, Aunt Doris, not missing a beat, fed our 7 and her 4. It was a miracle to me that we had such a big family, that she could handle all of us and make food appear like magic, I was four years old, after all. Love and will miss you Aunt Doris, Suann Schuster
