I am deeply saddened to hear of the passing of Ms. Debbie. She was a patient at our Chiropractic office in Brooksville and definitely a favorite. She gave me several plants bc she thought it was funny that I had a black thumb , unlike her green thumb. I will miss her greatly ❤️

Debbie was a patient at the dental office where I work in Brooksville. She was always smiling and happy and we would tell stories. She would always peek through the glass window by the front door and tap on it to say, "hello" before she came through the door. She was always kind and I will always remember her. Rest in Peace, my friend.

Condolences to Debbie's family and friends. Worked at the AWBecker School with Debbie for years. Enjoyed her friendship. She often crosses my thoughts and I wonder what she was up to as I have lost contact with her since she moved to Florida. A kind spirit lost too soon. Paula

The Luehm family, of Rochester, NY, was saddened to hear of Debbie's sudden passing. We met Debbie in Wolcott NY as a waitress 40 years ago, when she was in her early 20's. Debbie quickly became an adopted daughter to our family (Jack & Sandi and kids, Kimm, Bob and Jenn) where she would come to Rochester and spend holidays with us as her family wasn't local. She was always full of fun and laughter and we treasure the many memories of her with our family. As the years passed, we remained in contact with her after she moved to Florida. Upon the death of our mother, Sandi, Debbie and Jack would keep in touch frequently with phone calls. In the winter of 2018, he made a trip to Florida for a week to visit with her and had the opportunity to meet her good friend, Karen Brown in Clearwater. We are thankful that Jack had this opportunity and these last memories of Debbie and we will always treasure Deb in our hearts. (Included pictures from our 1982 Christmas).

Debbie was a dear friend of mine that I met when I moved to Spring Hill and started working at Pest Environmental. Debbie started working there a week after me and we became friends quickly. We worked in different offices after a few years and did not speak too much. I went to work in The Brooksville office with Debbie again finally and we continued our friendship. Debbie gave me a plant and an aloe plant for my birthday one year. I had repotted both plants and they continue to grow. I will always think of her when I look at it!! We had so much fun in the office singing and laughing every day. After a few years I moved to NC. Debbie and I kept in touch and spoke often. I saw her in August when I visited Brooksville. I am so glad I spoke to her a few days before she passed. I will miss her dearly!!!! My Debbie Doo, I will never forget you!!! Love, Patricia aka (Pricilla)
