It's been a year now that he's been gone and it's really saddening. I was one of his best friends and I miss him. I'm happy I got to spend time with him almost everyday until he had to go... just wish he was still here today. Even though he is no longer with us he will never be truly gone! I will treasure every laugh and every fun time we shared together. You are a great best friend! We will always love you!

It's been almost 4 months without Liam. Everyday I think about him and cry on the inside. I didn't know Liam that well but I could tell he was a wonderful, well-respected, caring student. Mostly Every day in the Car Circle I would see Liam Jai Hoang, I could tell he was loved by many. Every sad song or whatever I come across I tear up. Just thinking of what the parents and relatives are going through right now. We miss and LOVE you Liam Jai Hoang. We'll see you again. I'm sorry for the family's loss. It hurts me deep down that a family has to find a childrens casket. Children do not deserve to pass away. But god does everything for a reason. I miss you. Rest In Peace. well Liam was one of my best friends but we are not in the same class which made us special. When we meant we started to play while drumming but he was in All County drumming while I was in All County Chorus with Stephanie, Shelby, Apple ,and that's it well Liam was in all County drumming. He was very talented on drums too. I remember after we practice we went to go eat pizza and drink water, unlike my best friend Shelby who dropped your pizza and dirt and called it dirt Pizza after that she said it taste so crunchy then we all start cracking . But miss Richardson decide there are too many people sitting down on the ground , then she decided we can sit in her car, so first Stephanie sat in the driver's seat second Apple sat in the passenger seat then Liam me and Shelby sat in the backseat. After that we took a couple selfies and then went to go use the restroom, then Liam had to go to the dressing room and do his stuff in there then we got to perform. All I wanted to say was Liam was the greatest kid I ever known. I also painted some rocks to support Liam and his family. -Olivia

He looked up to his big sister and told me about all the favorite dishes that his mom would make. When we shared what we were thankful for last fall, family was #1. He loved you all so much.
