Brother John is one of my best Brother in law , he is a cool guy , he just go with the flow . It doesn't bother him at all whatever we do in his house , When he hears that we are coming over , he always make sure that the pool is ready for us to dive in . Words that he said that I can't forget one Time , he told me that next time U come back to Florida , just wear underwear because there is no more room for the clothes you shop 🛍️🛍️🛍️ I missed him coming over our house (Canada) he always say the cold country, missed him when he is sitting beside the window reading his paper and our Encyclopedia . You will be missed Brother😭😭😭love you Bro . Jiji
