Living next to Betty was always a hoot. She loved residing in Harbourside, eating early dinner at Leverock's, with her usual, and walking the island. She introduced me to vodka & squirt and we shared many of them, along with plenty of laughs and good times. Betty had a quick wit with lot's of one liners, even when she was as mad as a hornet. I will treasure my memories of her; She was a perfect friend. Pete Maguire

I live in the same building as Betty did and she was always smiling and talkative when I would run into her in the lobby or the common areas. She was so sweet, I've missed her smiling face for quite a while and was saddened to hear she had passed. My condolences to the family, she will be missed by all her neighbors who knew her.
