What a Great Guy, he was like a second Father to me while I was growing up. He owned some land on the river and I loved to drive that old ford tractor and cut the grass, so much that I now own an old ford tractor. Every time I drive it I think about him. Rest In peace Mr H. you will always be remembered. Bill Muehlhausen. aka Bill Kennedy....{if he loved ya you got a nick name} lol

I guess I should start by saying: anyone that knew grandpa.. he didn't like shirts on , hands were dirty with everything.. oil, paint and everything you could image. Anyone that ever knew my grandpa .. knew he was hard and stern, it was his way or the highway. I just will always know what he told me: Dawny always DO A JOB BIG OR SMALL, DO IT RIGHT OR NOT AT ALL. I love :heart: you Grandpa!!

My Grandparents have always been my rock.. the only people that believed in me, they both gave me the strength to go on. Most know this that are close to the family, others may be confused. My grandparents were my parents. I give them both the full credit of helping me along the way. They have always been there when I faltered, they have always pushed me to be the best I could be. I would never have made it thru the Police Academy and kept going! I love You both for making me be the best person I could be. 💙❤❤❤💙
