I am saddened by the unexpected death of my cousin Bob. As he was in Florida and I in NY we didn't see each other often. When we did it was laughter and fun and so many memories. He was a unique person. A special person. My cousin! He is with Aunt Helen, Uncle Joe and my Dad. Rest In Peace Bob. Deb

Our lives were totally intertwined these last few years as lifelong friends, brothers and roommates. I am absolutely lost without my true soul brother. Bob was a unique person to those that really knew him. An anachronism in a time that really didn't fit him. An honest observer of mankind that would gladly share his opinion if asked and sometimes when not. You will be deeply missed by me and many others.
