Paul Andrew Cox

OCT 4, 1985 - JUN 10, 2020

Paul Andrew Cox was born on October 4, 1985 and passed away unexpectedly on June 10, 2020. He was a curious intellectual, passionate about his work, and had a warm, loving heart. Paul recently earned both his Juris Doctorate and Masters in Business Administration from Stetson University in December 2018. He also earned his Bachelor of Science in Nursing from the University of Wisconsin in 2010 and worked as a Registered Nurse in Florida. He graduated from White Station High School in 2004.

Paul was an avid reader and researcher, an extraordinary writer, and loved his dog, Layla, to pieces. When not caring for patients, Paul could likely be found reading opinions from the United States Supreme Court, walking his dog, helping with the health concerns of others, or making his new house into a home. When talking to Paul, you quickly felt safe. You felt that he cared and wanted to be a part of your life. Paul's smile was contagious. His hugs would turn any bad day into simply incredible. Need a random joke? Paul has your back. He left us too early and has impacted us for a lifetime. A precious star, now a precious angel.

Paul is survived by his parents, Ruth and David Cox, his brothers, Matthew (Jennifer) and Daniel (Cara) Cox, 4 nieces, 1 nephew, and his Cattleroo dog, Layla. He is predeceased by his sister, Meghan (1983).

A visitation will be held on Thursday, June 18, 2020 at 3:00pm followed by a memorial service at 4:00pm both at Mullins United Methodist Church in Memphis, TN. Interment will be Friday morning, 9:30am, at Memphis Memory Gardens. Memorials can be made to Mullins United Methodist Church or of the donor's choosing.

Paul brought sarcasm and dry humor to a new level. I adored the absolute random messages we sent. I always mocked him at work for carting what seemed like a 50lb backpack around.. I never did find out exactly what was in there. He was a great nurse but was an even better person. He was both laid back and passionate, exactly my kind of person! Paul stood up for what he believed and I admire that about him. He will be missed by many.

Channa Glezman lit a candle in honor of Paul.

Paul and I shared a mutual love for the intersection of criminal justice and medical. After watching a particularly disturbing documentary I shared it with Paul and he took a field trip to see the real life location. He was amazingly curious and never let anything hold him back. This always makes me smile when I think of Paul I only wish I had taken him up on the offer to go with.
