Hello, This is Elaine Tilka Miller who is the daughter of James Tilka from Pittsburgh. Aunt Marjorie was very special to me and a wonderful human being. I just learned of her death when her Christmas card was returned. I am so very sorry for your loss! I know that she is now with Uncle George in heaven. How blessed I was to know her! Elaine

Elaine thank you for your wonderful thoughts and comments about our mother and father. Your mom and dad meant a lot to my family and we miss them just as we miss our mom and dad. I have a lot of fun memories of Uncle Jim when I was just being a boy. Your dad was a big man not heavywise but a big man a wonderful man. And I will always treasure those memories of your parents. Take care of yourself and your family

Rick, Steve and families, I'm very sorry for the loss of your mother. My brothers and sister grew up knowing your parents as friends of our parents and they always treated us kindly. The last time we spoke to Margie was at your Dad's service and it was as if we had spoken to her the week before, instead of many years. I will always carry fond memories of both George and Margie. Again, my prayers and condolences. Gary Ellerman

So sorry to hear of your mother's passing. She was the epitome of a lady. We fondly remember her and your dad from Garden of Peace days, and, yes, we looked forward to hearing her beautiful voice! Our deepest sympathy to all of you. I have always hoped to run into her and would think kindly of her as I passed Woodbridge so many times - probably still will. Fondly, Sally & Ed Evans

Steve thank you for your wonderful words about our mother and her singing. I know she's my mother and I'm biased but I always loved to hear her sing. And I will miss listening to her sing Oh holy night at Christmas, she would always bring tears to my eye when she sang at church, As she always made me so proud. Thank you for some wonderful memories about our Mom. Steve Your family was a big part of that group of friends that will always be remembered for all the fun things we did together as families when we were kids. Take care Steve and God bless to you and your family.

Thank you Steve for the kind words. I know that as her son I am biased when it comes to her singing. When I hear tapes of her today singing it still brings a tear to my eye. She did have a beautiful voice. Thank you again and God Bless you and your family Steve, as your family always meant a lot to my mother and father. And as kids we all had a lot of wonderful times, and made a lot of wonderful memories from the campouts to the cruises. Take care Steve and Kim
