Kevin and my son were beasties when they were in middle school. We lived across the street from them. He and my son stayed friends throughout the years. They had many sleep overs. He was such a sweet boy. He will be missed. My heart goes out to Jeanie m

The Willow Street family from long ago and Kevin was like a son to me and a brother to my sons. Memories flood my mind with antics of Kevin growing up, and kindness always right there for everyone. May your family be gently held with one heck of a ride as Kevin prospered with smiles and flourished with wonderful moments of living life to the fullest. Hugs and love, Lorrie

When Kevin was a new born I held him and could not believe two people I loved could make something so beautiful and wonderful. I loved him all his life. He grew up to be quite a guy. Always pulling jokes. I will miss him always. Love to his family. Who feel like they are my family. ❤️❤️
