Neighbors to Shirley and Bob longer than 25 years. Shirley and Bob became family and many opportunities to share family times for both their families and ours. Shirley and I had many afternoon 'beers' together just gabbing about things one gabs about. Marilyn and I were blessed to be welcomed to the "Payne" family. Shirley, may you and Bob rejoin to resume happy trails together. Dan and Marilyn Margheim

I have many great memories of Aunt Shirl, I loved it when she and Bob would come to Keuka lake and visit, they were the favorites of the entire neighborhood and were always up for fun. Shirl would always ask " how can I help" We would say just have fun, she was relentless finally I handed her a bottle of windex and some paper towels and told her she could do windows. In her famous words "smartie pants I don't do windows!" . She was always willing to give her time and love to all of us.
