Last weekend, I thought of Dennis and wondered if I might be able to find him via google. I was very saddened to read that he had passed earlier this year at too young an age. We met as classmates at SPJC in the physical therapist assistant program and became friends. Our friendship continued after graduating SPJC when we both headed to USF in Tampa to pursue other degrees. Over the course of those years, we shared some fun, wonderful times. Unfortunately, we lost contact over time. Dennis was a smart, kind, gentleman with a great laugh and big caring heart. The pictures shared indicate how much his family meant to him; my condolences to all of you. I pray that his life was filled with love and happiness. The world has lost a good man. May he now rest in eternal peace and dance with the angels. Denise Johnson (Baker) Boca Raton, Florida

I will never forget the time I spent the day at Dennis's beach house. He was the hostess with the mostest . He prepared a four course meal for lunch and everything was delicious. I had a fantastic time that day. He even went swimming with me in the ocean. Rest In Peace you sweet man. Pamela McLean (cousin by marriage) Forever Family!!!
