Linda G Dominick

FEB 27, 1950 - FEB 20, 2021

Linda Kimura-Dominick-Cretella went to be with Jesus, Feb. 20, 2021, just seven days shy of her 71st birthday. She was born Feb. 27, 1950 in St. Petersburg, Fl.

At age 13, she was employed by the Surfer's Club in Madeira Beach, which was a beachfront club for up-and coming bands in the 60s. It was the dawning of her love of music which continued throughout her life.

She also learned how to run a business from the owner of the Surfer's Club and she used those lessons when she began her career at Tampa Bay Newspapers in October of 1981. She retired as publisher and general manager of the award-winning group of community newspapers in 2001.

While at TBN, she was a champion of the community and believed in government for the people by the people. She involved herself in the community and supported events and projects, including Ride and Run with the Stars and the Veteran's Day Boat Parade.

She also supported local chambers of commerce, businesses, civic organizations, community groups and individuals. She was known for her love of people, children and family.

She was especially proud of her father, the late Herbert T. Kimura, who was one of the first Japanese-Americans to live in St. Petersburg. He fought in Italy with the Army's 442nd Regimental Combat Team/100th Infantry Battalion, which was one of the most decorated in U.S. history.

Linda and her father were active in the Go For Broke Education Foundation, which sought to bring attention to the heroics of Japanese-Americans during the war.

She was preceded in death by her father and mother, Mary E. Kimura, sister Jan Kimura.

She is survived by her husband, Mike Cretella; children, Jerry Lee Babcock II (Melissa) and Michelle Babcock (Timothy); grandson, Jerry Lee Babcock III (Jessica); brother, Tommy Kimura (Betty); and many other loving friends and family who will miss her dearly.

Nani, I am so thankful I got the chance to have known you for nearly 8 years. And I am so thankful you welcomed me with your arms wide open, when little Jerry; just a teenager, started dating me in high school. From the moment I met you, we instantly connected, and shared a bond; one that I will hold so dear to my heart forever. You were the sweetest, most incredible, and loving person, that I have ever had the pleasure of knowing. You always had an angel like appearance. You were an angel sent from God. We miss you endlessly, but God needed his sweet angel in Heaven! Your memories will live on through all of us; until we meet again sweet angel. Love you forever for always Nani! Linda was one of the first persons of the media to cover me in the beginning of my political career in 1997 - 8 years in The Florida House...and subsequently 12 years on Seminole City Council. I have missed seeing her out on the beat over the past years. Such a lovely and professional lady. My thoughts and prayers go out to her husband and family. Rest-in-peace, Linda. You gave your all...and made a difference. City of Seminole Mayor Leslie Waters, 3-7-2021

I never knew what real love was until I met Linda. She was the most beautiful person I ever met, inside and out. Everybody loved her. We were married one day short of six months and together for 3 1/2 years. I miss her very much and I would do anything to have her here with me. I loved her as much as she loved me and I'm honored that she did.
