We were not family by blood but I'll cherish all of our family memories together. We just spent Thanksgiving together in 2020 during the quarantine. And I'll never forget how thankful you were to be here and to be able to be with your family. I know you lived on this Earth for a very long time but we wish we could have had a little bit longer with you. You will be remembered as a sweet and kind soul and always full of life. We will miss you dearly, Great Babcia.Love, The Morgan Family
