Claudia Ann Hodson

FEB 14, 1943 - APR 11, 2021

If you're about to leave the complimentary hotel shower cap, stop. Consider: Claudia Ann (Frank) Hodson who entered eternal life on Sunday, April 11, 2021. Her spirit is carried on by her husband, Loren, 2 children, Holly(Greg) & Heather (Robert) 2 grandchildren, Angel & Zac, 2 siblings, Sue (Robert) & Neil, 2 cousins, Jane and Kay, and an extended family of relations and friends from every walk of life. We were truly blessed to have learned many valuable lessons from her during her 78 years, among them: take those shower caps home. They can cover any size leftover food container. Also: If you see something that needs to be done, step up and make it happen. This could be driving a friend to the airport at 3AM, or driving a friend's dog across the country. EVERYTHING can be put to a song. Finish projects. If you have an idea for a project, do it and finish it. Jokes can sometimes be just as funny if you tell the punchline as the joke. Give to every charity that asks. Take care of yourself; get those pedicures and listen to your body. Get your medical conditions treated!! Don't be afraid to ask for help when you need it. Stay in contact with friends; visit them, write handwritten letters to them. Forgive; it doesn't mean you forget, it means you don't hold it against someone else for the rest of your life. And lastly, parsley, placed between your teeth, makes a funny selfie.

As a memorial party was held for her in Florida, she was remembered by her friends for her generosity, and "classy dressing". The majority of the many stories she loved to tell featured friends from her bridge groups and Christ Presbyterian Church in Toledo. She is reunited with her parents, her niece, Michelle, whom, she dearly loved. A service will be held sometime this summer in Toledo and/or Maumee

As a member of Good Samaritan Church I only knew Ann for part of each year. I got to know her when Good Samaritan did an interest survey of member and attendees and I was assigned to meet with Ann. I don't remember what all we talked about after we finished the survey but I do remember neither of us was in a rush and we had a very nice visit. Ann was such a gracious lady and now that we are going back to physical church, I do miss her. By the way, I love this picture of Ann.
