Words cannot express how much I will miss you brother. You were always there for me. When I needed a place to stay, you welcomed me into your home. When I needed a friend to talk to, you were there. When I needed protection, you were my big brother, always looking out for me. I will always remember the good times we had and the special times we spent together working at your furniture store on Nebraska avenue. You taught me so much over the years and I will be forever grateful for having you in my life. I know you are with Mom now, and taking care of her. I love you brother - it's hard to say goodbye. My heart aches and is heavy. Eternal hugs & kisses, Dianna
