Uncle Eugene was the greatest man I have ever known. He loved his family and his life here on earth. He was so patient and kind with the greatest sense of humor. He and Aunt Jimmie once took me to the state fair to see a woman turn into a gorilla. It was something none of us would ever forget. It was one of his favorite stories. Uncle Eugene was a true angel of The Lord. There will never be another human being that lives up to my uncle. God bless you, Uncle Eugene. What a great day it will be when we all meet again! To my cousins and their families I pray for peace and happy memories for all of you. God bless you all. Love you so, Tanya

I'll always remember the time Uncle Eugene took us water skiing in Biloxi and all the trips to the Disney attractions. I'm sure the angels in Heaven welcomed him with open arms. Love and miss you, Carmita
