We thought of you with love today,But this is nothing new,We thought of you yesterday and the days before that too.We think of you in silence andoften speak your name.All we have now are our memories,and your picture in a frame.It broke our hearts to lose you,But you didn't go alone.A part of us went with youThe day God took you home.

Kathy was more than a babysitter, she was a mom, a friend, a counselor, and so much more for us. Words cannot describe how much she has done for our family. Thank you for watching our son and teaching him how to be respectful and a gentleman. We are deeply saddened of her passing and she will forever be missed.
