## **Kathleen (Kathy) M Godsey**

JUL 30, 1954 - JUL 2, 2021

**K**athleen (Kathy) Marie Godsey, 66, of St. Petersburg, passed away on July 2nd. Kathy was born on July 30th, 1954, in Dayton, OH. She relocated to FL in the early 80s. She loved life and people, especially her beautiful daughter Stacy Harrison, her son-in-law Rocky Harrison, and her precious grandson, Ryder. She is survived by her father, Albert Godsey, and brother, Rick Godsey, both of Dayton.

As part of the original staff of Harvey's 4th Street Grill, she was loved and admired by all those fortunate enough to have crossed paths with her bright smile and contagious passion for life.

Her family would like to thank everyone for their outpouring of love and support. A celebration of life for Kathy will be held Friday, July 9th, at Lassing Park at 6pm and will continue at The Big Catch immediately following. Guests are asked to wear pink if possible. In lieu of flowers, a collection of scratch off lottery tickets, her favorite, are being collected. Any winnings will go to her grandson's education fund.

I had the pleasure of knowing her for many years as we worked together. Kathy was always happy and full of life. I remember I vividly when she was cashing out customers with a credit card she would always ask me. SUE is this number a 6 or a 8. I would laugh at her because she had glasses on! She would laugh right back and say to me ohh you just wait the same will happen to you. I didn't know she was psychic too. 😊

So sorry to hear this, especially so late. I went to high school with Kathy and lived with her my freshman year of college. Kathy was the sweetest, kindest soul and always had a smile on her face. I had a lovely visit with her in FL in the late 90s, she will always hold a special place in my heart.

I am so sorry to hear this sad news. She lived a few houses down from me and was so fun and funny. I regret that we lost touch. We enjoyed roller skating and just goofing around. I hated to hear this news and so many missed her at our 50th class reunion tonight. Diana Bergman Barr

The Godseys were close family friends while growing up in the 60's in Dayton, Ohio. Together our families enjoyed trips, camping and holidays together. While Kathy was younger than me, she was a "bestie" with my younger sister. I remember her sweetness and her genuine smile and being the first to introduce me to Mo Town Music. She may be gone but never forgotten. We love you. RIP Kathy Deborah Parks Shempp

I'm sorry to hear this. Prayers 4 the family. I did not want to believe this when I saw it had to read it 3-4 times. I remember her as a good warm hearted person she spoke to everybody back in the days of school she was nice to me. She was a cheer leader and a good 1 to u couldn't keep from liking her. I remember Rick to a little but he was a head of us so I didn't really know him much. I really hate to hear it just can't get it out of my head. Well heaven has another angel she will b cheering 4 God now.
