My deepest condolences to Mr.Reegers family.I am just now learning of his passing.I didn't know him well but what I did know of him was a dedicated grandfather,and super sweet man.We met at our grand childrens school.We would stand in the pick up line and chat until the kids came out.I would always see him at important school functions as well.The dedication I saw from him for his family was outstanding.May he rest in eternal peace.Kim Bosen-Antonelli

To ( my favorite) Uncle Al, you will be missed by many especially by family. But I know you have a new job and that is being a guardian angel to us all. A new duty that you have been trained for in many ways: you were in the Navy, you had been a top notch father for Laura, a stand up grandpa for Peyton, and a true blue friend to anyone. Your devotion and loyalty runs deep with you. We all hold you in high regards...especially because you knew how to joke and yet you made sure everything important was taken care of all while having the patience of a Saint. You were the Rock and Pilar of the family and I know that was a full time job for sure... ( you know us Reeger girls can be a handfull) so I know you will be earning many stripes on your wings, easily because of us! Thank you for filling my heart with your love and for filling my memories of your jokes, patience, and good company. I will always be grateful. I will cherish those gifts. Thank you too, for being well enough to be at my wedding as it was as important for you to be there along with my dad. This photo was the last time the wild bunch were all together...lord help you watching over all of us. ( hee hee) We send our love and prayers to you and sending prayers of comfort and strength to the rest of the family and friends. Big Salute to you as you sail into the sunset. Oxo Love from your favorite niece , Kimberly ;) Kimberly
