James Gary Haas

SEP 8, 1964 - SEP 8, 2021

Haas, James Gary, 57

A longtime resident of Pinellas Park, Gary would run into friends wherever he went. A loyal and loving husband, father, brother, uncle, cousin and friend, Gary was a member of Sacred Heart Catholic Church and graduated from Gibbs High School in 1982.

His work career in customer service included Ottlite Technology, Aetna, HSN and a few other places where he made lifelong friends who all say that he was a great coworker and kept them laughing.

Gary is survived by his wife Carrie, children James, Lauren, Liliana and Ryan, granddaughter Skiilynn, sister Sandra (Terry), brother David, Mother-in-law Melanie (Darrell), Sisters-in-law Peggy (Anthony) and Suzy (David), Brothers-in-law John (Jennifer), Michael (Gretchen), Matthew (Niki) and many cousins, nieces and nephews that he loved so much.

His family was his life and he was always willing to help anyone he could. His children were the most important people in his life and he was beyond grateful to his cousin Teri for allowing him extended time with them by donating a kidney 2 1/2 years ago.. Gary stayed strong through what life dealt him and fought hard until the very end for a chance to come home to his family.

Although he will be missed greatly by everyone who was lucky enough to know him, he is now pain free and reunited with his parents and the Lord.

Gary, Daddy, Friend...Until we meet again...fly high! We will always love you!

There is no truer word than Genuine to describe you ! It always hurts when you lose someone you love, but this one hurts just a little bit more . I cherish our friendship that has spanned about 50 years . You were always the one to make someone smile, always trying to be funny , witty comebacks . I'll miss you Gary , I'll miss catching up at festival, honking when you were in your front yard or you yelling at me when I would pop by Uncle James'. I pray for all his family including his eldest James Gary Haas Jr. He loved his dad who was his rock. He misses him dearly every day. He just hasn't been the same since Sr passed away. May you rest in peace and watch over your loved ones. Till y'all meet again, God bless.

Gary and I met at work! Our first conversation happened after my 28 year old brother had a stroke. At the time, he was a stranger that consoled me and encouraged me when I needed it most. From that day, we began a friendship that I will always cherish SO much. I will never go to Olive Garden again without thinking of Gary and the memories we made there, and the many conversations rooted in light and love. We were all very blessed to have him grace our lives, and he will never be forgotten. Until we meet again my friend, rest easy with Jesus. I love you always.

I worked with Gary, he was a super guy. He had a great sense of humor, wit and was super sassy. We had so much as coworkers. We shared a lot of laughter and sadness. We were working the day the shuttle exploded. We took a moment to walk outside to see the smoke trail. We were so sad. We also saw the fall of Ms.USA and Madonna's unauthorized pictures. Those provoked a lot of conversations, about life and family. Gary said something that stuck with me forever and I used while raising my children. He said "this is why you never do anything that you would not want someone to read about in a magazine or newspaper". He wise beyond his years. I'm so sorry for the loss his family had endured. RIP Gary!

I have been at a loss for words. Let me start by saying you would ALWAYS make me feel welcome and made me laugh. Although we did not always see eye to eye on issues you respected where I stood and I did the same with you. All of the family functions we attended and made it through. The best was Anthony J's wedding.... our table was the best! We had all of our kids then it was you, me, and Carrie. We laughed so much. Fly high Gary! We love all of you so very much.
