IDK where u start. Millie, Yvy I can still feel the hurt. .So many good times. One is walking down the Concourse w/ heels spreading the word. Going to Yvonne's house at 8:30 am to give her bible studies, knowing she nor us wanted to be there. Yvy got mad at us because we were laughing Tia said no te apures what until Tomas gets home. LOLThe other one was when Tia would go upstate. (Millie and me) would dance w/ heels on the store's counter. Tia and Mami would laugh so hard that they'd peed on themselves. LOLAlso, Grandma's porch. LOLBut the best one, was when Tia drank some wine and yelled HNY out the window of University. The memories are endless. One day we will be together again. Until we do, we will live and laugh on her memories. Tia te quero mucho -I love you too, as she'd say to me in English. LOLRIP Tia. te quero - MaruXXX/OOO

Tia always had love .a smile and kindness to give.in return she asked for nothing. Her love was never ending like her life! She was amazingly strong and never judged..she stayed by my side during one of lifes hardest heart aches..she gave me support and unconditional love..i knew i was not alone. See you later tia..it is never goodbye..
