My name is Sally Jones (Strome) and I grew up in the neighborhood with Terri and her family. Terri always helped me with my homework. Seems just yesterday we were attending Seminole High together. May your memories give you comfort as mine will for me. My condolences to the family.

I have so many good memories of Terri (mom). We spent many holidays and weekends have to much fun at Hard Rock. She got kick out of the way I "talked to the machines". Such a fun, sweet, person that just took you in like you were her own. Much love and prayers to the family.
