Francisco N. Mosqueda

DEC 3, 1934 - NOV 29, 2021

Francisco Noel Mosqueda, 86, of Kenneth City passed away peacefully on November 29th, 2021. He was born December 3rd, 1934 in Holguin, Cuba. He had a dream when he was a little boy. He wanted to live in a country that was free. He wanted to work hard and be able to provide for his family. He pinched himself when he boarded the plane leaving Cuba because he just couldn't believe it was actually happening. He left Cuba on November 20th, 1970 and arrived in Miami, Florida. A few years later, he later became a proud American citizen.

In 1973, Francisco married the love of his life, Marianna DiSalvo in Highland Falls, New York. They remained married for 48 years until he passed. He was a dedicated and loving husband. Francisco and his wife had one child, their daughter Susannah. He proudly worked for the United States Military Academy at West Point, New York for 30 years. He moved to Florida in 1998 and then worked for Pinellas County Schools until he retired for a second time in 2014. While he was retired, he worked diligently on his lawn, enjoyed chatting with old friends, went on long walks, and watched Wheel of Fortune and Jeopardy every evening.

Francisco was known by several endearing nicknames, Frank, Frankie, Noel, and Noelito. He was dearly loved by all who knew him. Although he left Cuba 52 years ago, he remained in close contact with his family there. He was known as the uncle beloved by all.

He is survived by his wife Marianna; his daughter Susannah and her husband Marc Gariepy; and his five grandchildren Noah, Isaac, Sophia, Maggie, and Peter.

Francisco was one of kind. He will be dearly missed by his family near and far.

The Funeral Mass will be held at Sacred Heart Catholic Church, in Pinellas Park on the morning of December 17, time to be determined.

Eternal rest grant unto Francisco, O Lord, and let perpetual light shine upon him.

I was born in 1977 in a small town in eastern Cuba called Preston. I remember as a child that in my great-grandmother Petra's closet, there were some curious envelopes with blue and red stripes from the United States, which inside had some color photos in which a tall and thin young man appeared and in another one a beautiful and smiling girl. He was cousin Noel, who my great-grandmother loved like a son, he was her nephew who had emigrated to the 'north'. The girl was his daughter Susannah. Many years later I had the opportunity to contact them and learn a little more about their history. Noel and I share the love of a very important person to both of us: Petra. She would be happy to know that we were both able to meet at least from a distance. On behalf of my entire family and myself, our sincerest condolences to the Mosqueda family. Jorge & family.

My dad this elder gentleman at a kid's birthday party he accompanied me to. He never wanted me to drive without him. My dad said that he told his new friend he was 80 years old. Then the elderly gentleman said, "You're a youngster! I'm 88!" Lol!

I remember you and your little best friend Schultzy. He loved you, he followed you, he slept in your room. You also dedicated yourself to taking care of Schultzy. You loved telling your story about arriving in the US. You always wanted me to talk with your friend across the country and across the world. I'm so happy you did that. Below is my favorite picture of the five of us ❤️

Although I only met your father a few times, I could tell he was a proud father and husband. He will live on through you and your family.
