Dyana Luciana Aroya

FEB 22, 1963 - MAR 8, 2022

Dyana Luciana Aroya, 59

Dyana Luciana Aroya AKA Dyana Luz Arroyo AKA Dyana Luz Rodriguez AKA "TITI", passed away peacefully on March 8, 2022, in St. Petersburg, Florida.

Dyana was born in Jamaica Queens, New York on February 22, 1963. She was raised in Lorain, Ohio, then moved to St. Petersburg with her parents as a teen.

She was a beloved mother, daughter, sister, aunt, cousin, girlfriend, and best friend to all who were in her presence.

Dyana loved to help others; she is known for having the BIGGEST heart! Whether it is cleaning, cooking, or needing her just to be there to lift your spirits. She loved her daughter, sitting in the sun, cooking, all types of music (especially the sounds of Sade), pretty smelling perfumes, chicken, and the company of her two dogs Nacho & Genesis. Dyana's passing is truly a shock to many, she will be deeply missed.

Dyana is survived by her daughter Roberta M. Rosa of Lorain, Ohio, her mother Lucy Diaz-Rivera, her brother Richard Cerchiai, her sister Sophia Mierkey and her boyfriend of 16 years, Rodney R. Slusher. She was preceded in death by her Stepfather Marcello Diaz-Rivera.

Visitation will be held on Tuesday, March 15th, 2022, from 4PM - 6PM at Memorial Park Funeral Home, 5750 49th Street N., St. Petersburg, FL 33709.

I will forever cherish the memories I have with my dear, sweet, loving, caring friend Titi ❤️ For 22 years she was in my corner. This is crushing to my heart to know I am not able to call her anymore in this life. I know I will see you again mama! I love you forever! I promise, you will never be forgotten ❤️

There was a time Dyana and I went to a bar called Rudy's and I was really drunk and this one guy would not leave me alone so she asked to order us some food and while he did we ran out of the bar. of course I was not in any shape to be drive so she did the problem with that was she didn't know how to get back so I guess I got us home by directions and she drive. it was a crazy night for sure.

Rodney I'm so sorry for your loss. My memories of Dyana....She treated me like family not a sister in law. She baked and entertained Kailey(our granddaughter) when we would visit Florida. I remember you and Dyana running to get Kailey Dunkin Donuts. She always asked about our two boys though she didn't know them well. When I would call and you were out we would always visit. She was as broken hearted as we were Rod at the loss of Dad/Danny...she loved him too. Dyana was full of energy, loving and loved you very much Rod. I could tell last year when we were in Florida to visit she was struggling with health issues...you and I even talked about it. I even remember meeting Abi(who Dyana loved like a daughter) as Abi was there helping Dyana. So glad that Dyana had you Rod and Abi to care for her and love her. That is what will carry you two through this...knowing that you guys were always there for her, showing her love and respecting her. She was an amazing woman who loved you two and her fur babies very much. I will be praying for both of you. And know she is resting in the arms of Jesus. Rod please go to that church that Dyana always liked this Sunday...I know she would like that
