Sherry Taber lit a candle in honor of Brent.

Brent was my first born... When he was a newborn he had the Florida flu... That's what he developed his first nickname.. Weezer... When he got older he became my "diamond"... He really and truly was one of a kind. I don't know if I will ever believe that he's really gone... It's just so hard to acknowledge. A parent should never have to bury a child. I was looking in his face when he took his first breath as I was when he took his last. Mama loves you Brent... I miss you more every second of every day.
