I will miss Elaine more that anyone will ever know. I have know her and cherished her friendship for almost 30 years. She was caring, kind, and didn't mingle words. She spoke her mind and always was there for me. We went to art and crafts shows, the beach, the zoo, shopping, out to lunch, etc. Elaine was my best friend, my sister, she was friend unconditionally. I keep her in my heart, and think of her everyday. She will always be remembered. I am grateful for the time I had this beautiful person in my life.

John & Kathy Greene lit a candle in honor of Elaine.

Elaine Kirkpatrick is a friend that my wife Kathy and myself have fond and fun memories of our earlier lives. With her husband Danny, being a loved close friend of mine, we always had fun with lots of laughter. I shall always remember the both of them for as long as I shall live. May you both rest in peace.Amen

I grew up knowing Elaine, as Danny was my uncle. She was a fun, loving person, and I remember going out late nights for ice-cream and late night music jams. She will always be remembered. RIP Elaine, tell my uncle Danny I miss and love him.
