My first memory of this lovely woman was when Toni was in fourth grade and her mom wanted to make sure that she kept up with her reading, so she brought her to my apartment every week during the summer so that I could tutor her. We exchanged recipes and became friends. I know how much her family meant to her and how proud she was of her beautiful daughter and grandchildren! The family will be in my daily prayers!

Toni, Jerick, Brock & Emory I am so sorry for your loss. I have so many great memories of "Mom Victorio" ever since our mothers met taking us to kindergarten all those years ago. I know all of the memories you all have of the wonderful times you had together will keep her spirit alive.

She was so full of life. As a little girl I was so happy to be around her. I remember she and Ray got ready to go out and left us home. Saturday night date night and Toni and I found a box of brownies to make. We the inexperienced bakers used the electric mixer and had brownie batter everywhere. We tried to clean it before they got home and your mom was so upset that her kitchen was such a mess. But she helped us clean it and she laughed with us. Toni you were truly blessed with an amazing mom. 💜
