To all of you, there are so many memories of Aunt Margaret. She was always welcoming when we would come to Florida. Her house was your house. So many fun times in Florida with her. I loved her visiting when they would come up North. She was so fun when Uncle Bob would tease you and she was like "Bob no don't say that"! Watching her do her puzzles or playing the organ was wonderful. Thank you again for sharing your Mom my whole life. Love Louise Demers and family.
