I miss you so much jay..words can't explain it.. I talked to your mom and Jamie... Don't worry I'm making sure your mom's OK. I hit her up from time to time. Just check on her... I know I'm not supposed to be, but I am angry with God because he took you from me!! I don't think I'll ever get over it ever. I love you so much bro..I miss u so much it's crazy!! No matter how HARD I cry...you're gone. Usually, when I cry here, who I call who am I supposed to call now?!! I know you're watching over me because I know that there's holes in heaven's floor and when I feel the rain I know it's you!! ☐☐ I love you

The Peace of God will surpass all understanding, he will guard our hearts and our thoughtsThe world lost a great person, but we all have memories to hold close until our time to cross over. Thank you for being God Father to my son and a great friend who will always be family to me and mine. From the playground to the end you'll always be in our hearts
