Mami Femia was the heart of this family! She will be sorely missed! I will never forget her wittiness, her love for nature/plants, and her amazing skills in the kitchen! Love you Mami Femia! Always!

My mother was one of the strongest, bravest, humans to grace this planet. Without her, I wouldn't be here today, I wouldn't be the person I am, and I wouldn't have the life I have. She was everything to me, and more, and there's no way I could ever quantify the importance she's held in my life. To my mother in heaven, thank you for always loving me and guiding me. Even though you are no longer here with me I can still feel your love .You Will be always in my heart. I love you and will miss you dearly.Love you for ever!Your daughter,Neida
