My amazing Momma. A beautiful person with a kind soul, a loving and generous heart and undeniable love for her family. Mom was an extraordinary person and the best Mom anyone could ever be lucky enough to have the honor of calling her Momma. I will be forever grateful that I was fortunate enough to call this pretty lady Mom."Those we love don't go away, they walk beside us everyday"

Pat was an amazing role model to many of us younger folk at the credit union. I loved her dearly and would visit her after retirement from time to time and listen to her stories, what an amazing life she had. My condolences to her family.
