My deepest sympathy to the family. I am sadden to hear the loss of Edward. I only knew him for a very short time. He always had a smile on his face when he came in the agency. We will miss seeing his beautiful smile. RIP Edward.

I met Edward through my friend and coworker Aida. We lived very close to each and shopped at the same Albertson's. I will always remember running into him many times as he shopped with his precious Princess Leah. He always had a smile on his face and a nice word to share. RIP Edward - you will be missed.

I knew Eddie for only one short year. My only regret is not knowing him sooner. He loved all growing things (except weeds!) and I witnessed his magic touch with any and all types of plants. Eddie was a hardy perennial--surviving many storms and uprootings, but always somehow able to bloom again. We join his family and his many friends in sorrow at his passing, but I am certain he will make God's garden an even more beautiful place. It is somehow appropriate that we honor him during the phase of the "Flower Moon".Nagpaalam, Eddie.

My father brought a smile to a multitude of people during his lifetime. He will be so deeply missed by us all. May he be remembered for all the love and light he brought to this world. I know I will continue to sing karaoke and be a jokester in memory of him!
