Juudy (Bonar) Balgo lit a candle in honor of Bonnie.

I am so sorry that my communication with Bonnie has not been a good one. We grew up together going to the same central grade school and Moundsville high school together my most Memorial memory of Bonnie is when I would get on my bike on Morton Avenue and ride down to her house just down the street, and of course yell for her to come out and go bike riding. It seems like she was never at home. Later in life she told me that she would be reading a really good book and didn't want to go bike riding so she would pretend she wasn't at home and we would laugh. What a beautiful, beautiful person she was. May she rest in peace? ❤️ Judy (BONAR) Balgo
