Jenifer was the first person I met when I moved to ST. Pete that was 14 years ago. Since then she has become my person, my best friend, and so many other roles. She was such a joy to be around and would give anyone the shirt off her back if needed. She became family and my kids looked to her as an aunt. Jen I will miss you so much. Rest in peace. Forever in our hearts but never forgotten. Love, Jennifer W.

Jenifer worked as an office manager for the Fundamental Office at Boca Ciega High School. Her presence and positive energy lit up any room she entered. The students, teachers, co-workers - everyone - loved her. She was always so focused on her husband and two daughters; she planned their spring break trip to Stone Mountain, Georgia while she worked with us. We missed her when she left, and we will miss her always. Rest in peace, Jen. Kathy Van Dora
