My heartfelt condolences to your family. I only found out today that she passed away. I met Denise as a customer at Walgreens for the past several years. She always greeted me with a smile and by my name of which she did with all the customers. We shared what was going on in our lives. She was a beautiful person and I'll miss her dearly. Rest In Peace Denise 🙏

I only knew her from her working at the Walgreens next to my apartment, but for the last 2 years I've lived there, I could always count on her to have a pleasant conversation, and her closing shifts were one of the only constants in my life. I was devastated to hear she passed, and she will be missed.

My son and I both just loved Dee, as we called her. She was the embodiment of kindness; she was such a Sweetheart of a person. I can not even tell you how many conversations we have had over the last 4 years. We send our sincerest condolences, to all her loved ones. We really did love Dee 🙏🙏🙏❤️❤️❤�

We are neighbors of Denise and had been away when she passed on. When we returned to this news we were crushed as I am sure her family was. Our deepest sympathy and prayers go to the Wright family and her sons whom she loved dearly. Denise would walk Cora early every evening and come by our house and stay for a while so our dogs could play, and we had a nice chat. We love you Denise and you remain in our hearts. My deepest sympathies for my Aunt Linda Wright, Uncle Jack, Ben, Nick, & all who love my beautiful cousin Denise. I will always remember my cousin as I always looked up to her and thought she was such a beautiful person inside and out. This is so shocking for us all and I just pray for peace for all who loved her. I know she is in heaven looking over us all and will always continue to live on through her sons who she loved more than life itself. My deepest condolences.
