Ken was the nicest man I've ever known. He had a good heart and gentle nature about him. When we moved into the community, he was one of the first to welcome me and my partner. When he passed, the sheriff who came out to investigate, said he was very surprised how my home and three homes became genuine friends, taking the time to meet, greet and become friends. I'll miss our little talks we had over the year. Yet I know Ken is happy and joyous 😊 on the other side of the curtain of life. My sincere condolences to his family. May our creator be there when you need them to ease your pain or burden. Thank you, Robin G.
