I just found out that "Pie" passed away. My heart is broken to hear the news. We knew each other many years and Pie was a good lady. She sure took great care of her girls, the best she could. . I feel so sad that she is no longer with us , but GOD needed a special angel. She is with Jodi now !! Prayers for the family and R.I.P. "Pie"

So sad to hear of the passing of this wonderful lady, I grew up as a child living across the street spending many hours at her house, she was like my second mom. she is the most caring, loving, generous, and just awesome person to be with and know. 50 years we grew old together Pie, you are forever in my heart, and will never be forgotten. Rest in peace. Free of pain. ❤️ my dear friend !

Pie always made me feel like family, from the 1st day we met till the last time we talked. So many memories of her kindness and so many 2 hour phone conversations with her. There was no one on the planet like Pie and I will forever remember her as my special family. RIP Pie, your pain is gone. Love you!!
